The Third International Conference on Information and Communication Technologies (ICICT'09)
August 15-16, 2009
Karachi, Pakistan

The IBA, being the premier business School in Pakistan, plans to organize a broad based, multi-topic, fully reviewed conference on Information and Communications Technologies. This activity aims to capture the new wealth of research initiated by scholars inducted by the Higher Education Commission of Pakistan to enhance the interaction of local and overseas scientists and to foster tangible focus on problems related to the socio-economic uplift of the nation. This conference is the only forum of its kind in Pakistan that brings together technical and business related issues pertaining to Information and Communications Technologies.
